RECEIVING AN INVITATION

Each ScholarOne Manuscripts journal site has a unique Web address (URL). Typically, you are given that address in the invitation or invitation-response e-mail sent by the journal. If the URL is hyperlinked, simply select the link within the e-mail. You can also enter the web address in the address field of your browser and press the Enter key on your keyboard. The journal’s Log In page is displayed.

The journal site may be configured to use ORCID Login. Select the Log In with ORCID iD button at the bottom of the Log In box.
You will then log in to ORCID ID, or register an ORCID account.

If the you have used this login process before or have already linked your ORCID iD to your ScholarOne profile, you will automatically be logged in to the ScholarOne site.

If this is their first time linking your ORCID and ScholarOne accounts together, you will be asked to authorize the publisher or journal to get their ORCID iD and to read limited-access information such as their name and address. Reading limited-access information will make it easier for new users that do not have a ScholarOne account to pre-fill their profile information when creating an account.
Next, you will link your ORCID account to the ScholarOne site. You will see the option of creating a new account or logging in with your existing site credentials.

If you already have an account on the ScholarOne site, you will only need to provide your ScholarOne login credentials once. Afterwards, you can use either the ScholarOne or ORCID credentials to log in to the participating site.
ACCOUNT SETUP AND MAINTENANCE

SUGGESTIONS FOR REVIEWING

The review form auto-saves every 30 seconds. When it does, a small message will appear at the bottom-right hand side of the form. It will fade away after one second.

Reviewers have the option of saving manually, using the Save as Draft button. You can also print using the Save & Print button. Using the browser controls or Save & Print button will print the right side of the page which includes the ID, Title, and Form.

We recommend that, if you cut and paste your comments, use a plain text editor such as WordPad or Notepad.

Be sure to not include your name in any comments you make to the author as many sites are conducting a blinded review process.
VIEWING COMPLETED REVIEWS

After submitting your review, you can access your completed review in the Scores Submitted section of the dashboard.

Select **View Submitted Review** from the Action column. A new window will display your completed review.
PUBLONS CREDIT FOR COMPLETED REVIEWS

Access historical reviews through the Reviews Pending Publons Credit queue.

To receive credit, select the checkbox next to the appropriate manuscript and then Get Publons Credit.

A success message will confirm the transfer of data to Publons.
